**Virginia Department of Fire Programs
Firefighter I Program**

N.F.P.A. 1001-13

Virginia Department of Fire Programs
FIREFIGHTER I, NFPA 1001-13
COURSE ADMINISTRATIVE GUIDELINES
Firefighter I Course Overview

1. The Virginia Department of Fire Programs' Firefighter I training program consists of combined classroom instruction and practical evolutions of **160 hrs.**
2. The Virginia Department of Fire Programs Firefighter I training program educates students through classroom instruction as well as hands on practical evolutions. The classroom instruction and props are designed to prepare the firefighter for basic engine company and truck company operations.
3. To ensure firefighter students meet the Virginia Department of Fire Programs, National Fire Protection Association's 1001-13, "Standards for Fire Fighter Professional Qualifications", and the National Board on Fire Service Professional Qualifications, students must successfully complete a written test administered by VDFP. Students must receive a minimum score of **70%** on the written examination and successfully pass all practical scenarios.

A. Course Curriculum

- 1) For the purposes of VDFP NFPA 1001-13 the following materials are acceptable:
 - (a) IFSTA Essentials of Fire Fighting, 6th Edition
 - (b) Jones and Bartlett Fundamentals of Fire Fighter Skills, 3rd Edition

PRE-COURSE REQUIREMENTS

Prerequisites: Students must be at least 16 years of age in order to enroll in the course. Junior Firefighters must comply with all Junior Firefighters pre-requisites as defined by Department of Labor and Industry (DOLI) standards.

Equipment Required: Full turnout gear and SCBA

Hours:

160 – Traditional Classroom Delivery

100 – Blended Learning Delivery

Standard/Regulation: NFPA 1001-13

Curriculum Text: For the purposes of VDFP NFPA 1001-13 the following are acceptable:

- a. IFSTA Essentials of Fire Fighting, 6th Edition
- b. Jones and Bartlett Fundamentals of Fire Fighter Skills, 3rd Edition

Note: This course is Pro Board certified. To be issued a certificate the student must have a current CPR card and Hazardous Materials Operations certificate. Any questions regarding Firefighter I and II trainer qualifications, Firefighter I and II curriculum, Firefighter I and II Student performance requirements, or the guidelines used to conduct the certification program should be forwarded to each VDFP Division Chief or the Firefighter I & II Certification Program's Manager. Consult the "Operations and Training Guidelines" (Current Edition) for names, addresses, and contact numbers for Division Offices.

Virginia Department of Fire Programs
FIREFIGHTER I, NFPA 1001-13
COURSE ADMINISTRATIVE GUIDELINES

I. Terminology:

- A. Firefighter I Student:** *A registered student in the Virginia Department of Fire Programs' Firefighter I certification program who meets all pre-course requirements and is currently in the process of completing the following:*
Successful completion of all didactic and skills instruction;
Successful completion of the final written examination and practical testing for Firefighter I certification.
- B. Firefighter I Trainer:** *A qualified instructor meeting the Virginia Department of Fire Programs training program delivery requirements for Firefighter I, NFPA 1001- 13: Standard for Fire Fighter Professional Qualification and the National Board on Fire Service Professional Qualifications / International Fire Service Accreditation Congress.*
- C. Lead Instructors Status (also known as Class Coordinator):** *A Fire Instructor II with Firefighter I/II Train-The-Trainer that has demonstrated organizational and management skills within the training field.*
- D. Firefighter I Evaluator/Monitor:** *A qualified Firefighter I Trainer (Instructor II, III, or IV) is responsible for the quality assurance component (evaluation) of instructional cadre delivering the Firefighter I program.*
- E. Program Manager:** *The Virginia Department of Fire Programs' representative assigned to develop, implement, and manage the Firefighter I certification program.*
- F. Firefighter I Certification Course:** *A Virginia Department of Fire Programs' certification training program designed to meet the, NFPA 1001-13: Standard for Fire Fighter Professional Qualifications, Level I, and accredited through the National Board on Fire Service Professional Qualifications (NBFSPQ) and/or recognized by International Fire Service Accreditation Congress(IFSAC).*
- G. Curriculum:** *For the purposes of VDFP and NFPA 1001-13 the following texts are acceptable:*
a. IFSTA Essentials of Fire Fighting, 6th Edition
b. Jones and Bartlett Fundamentals of Fire Fighter Skills, 3rd Edition

Virginia Department of Fire Programs
FIREFIGHTER I, NFPA 1001-13
COURSE ADMINISTRATIVE GUIDELINES

II. Firefighter I/II Trainer Qualifications and Requirements:

A. Qualifications:

1. Currently certified Fire Fighter I, II or III.
Currently Certified VDFP Hazardous Materials Operations (Virginia Program) or VDEM Hazardous Materials Technician or VDEM Hazardous Materials Specialist
Currently Certified Instructor I, II, III or IV
Approval from Instructor's VDFP Division Chief.

B. Requirements:

For Certified Instructors without a current Firefighter I/II Train-the-Trainer

1. Successful completion of the current **Online Instructor I Orientation** training program.
 - a. *The Firefighter I/II Trainer is responsible for forwarding the completion certificate to the appropriate Division Chief for entry into FSTRS.*
2. At the Firefighter I/II Trainer level:
 - a. *Successful completion of the **NFPA 1001-13 Firefighter I/II "Train-The-Trainer"** program, to include administrative, practical and live fire evolution training. (Classroom Delivery)*
 - b. *Successful completion of the **Firefighter I/II TTT Homework Assignment**. This is to be completed and submitted within **30 days** after receipt of approval from the VDFP Division Chief.*
 - c. *Successful Completion of **16 hours of instructional shadowing** with a minimum of 8-hours of classroom instruction and 8-hours of practical instruction. This will be completed within twelve months of attending the Firefighter I/II TTT, in an approved Firefighter I or II program under the supervision of an approved instructor. The instructor will be approved by the VDFP Division Chief. Documentation of the instructional shadowing will be submitted to the VDFP Division Office in which the TTT was taken. The Division Chief will review and approve or deny the documentation.*
3. Completion of the current **VDFP NFPA 1403 Awareness** training.
 - a. *The Firefighter I/II Trainer is responsible for forwarding completion certificate to the appropriate Division Chief for entry into FSTRS (if this program is taken online). Must be completed prior to attending Fire Fighter I/II TTT 1001-13.*

Virginia Department of Fire Programs
FIREFIGHTER I, NFPA 1001-13
COURSE ADMINISTRATIVE GUIDELINES

4. Successful completion of the **MVP Ethical Decision Making**
 - a. The Firefighter I/II Trainer *is responsible for forwarding completion certificate to the appropriate Division Chief for entry into FSTRS (this program is taken online). Must be completed prior to attending Fire Fighter I/II TTT 1001-13.*

5. Successful completion of the **VDFP Agency Overview**
 - a. The Firefighter I/II Trainer *is responsible for forwarding completion certificate to the appropriate Division Chief for entry into FSTRS (this program is taken online). Must be completed prior to attending Fire Fighter I/II TTT 1001-13.*

For Certified Instructors with the Firefighter I/II NFPA 1001 – 08 Train-the-Trainer.

The following must be completed prior to delivering the Fire Fighter I/II 1001-13.

1. At the Firefighter I/II Trainer level:
 - a. *Successful completion of the NFPA 1001-13 Firefighter I/II “Train-The-Trainer” program, to include practical and live fire evolution training (Classroom Delivery).*

2. Completion of the current **VDFP NFPA 1403 Awareness** training.
 - a. *The Firefighter I/II Trainer is responsible for forwarding completion certificate to the appropriate Division Chief for entry into FSTRS (if this program is taken online).*

3. Successful completion of the **MVP Ethical Decision Making**
 - a. *The Firefighter I/II Trainer is responsible for forwarding completion certificate to the appropriate Division Chief for entry into FSTRS (this program is taken online).*

4. Successful completion of the **VDFP Agency Overview**
 - a. *The Firefighter I/II Trainer is responsible for forwarding completion certificate to the appropriate Division Chief for entry into FSTRS (this program is taken online).*

Virginia Department of Fire Programs
FIREFIGHTER I, NFPA 1001-13
COURSE ADMINISTRATIVE GUIDELINES

C. Maintaining Firefighter I/II Trainer Status:

1. To maintain Firefighter I/II Trainer Status, instructors shall complete the following:
 - a. Conduct, assist, and/or monitor a total of 4 hours of classroom, 4 hours of practical related to classroom delivery and 8 hours of live fire practical training in an approved Firefighter I or II Certification training program within a 24 month period.
 - b. Firefighter I/II Trainers failing to meet the above criteria shall be required to obtain a letter of recommendation from their Division Chief and successfully complete another Firefighter I/II “Train-The-Trainer”.
2. Quality Assurance
 - a. The Division Chief assigned to Program Management of the Firefighter Certification programs will be responsible for ensuring the quality of Instructional Cadre within the Virginia Department of Fire Programs delivery system.
 - b. The Program Manager/Division Chief has the authority to assign qualified Instructor Evaluator(s) to evaluate/assess individual instructors prior to, during, or after instructional delivery.
 - c. When circumstances indicate a need for an evaluation of an individual instructor or instructional cadre (I.E. poor student evaluations, student/department complaints on instructional delivery, and/or written and performance test indicators.)
 - d. When an evaluation and/or assessment is required by the program Administrative Guidelines or VDFP “OPERATION AND TRAINING GUIDELINES”, selected Instructor Evaluator(s) will be assigned to complete the task and report back to the Program Manager/Review Committee.
 - I.** Respective Division Chiefs may/may not be notified of evaluations/assessments.
 - II.** Instructors/Instructional Cadre may/may not be informed by the Division Chief of a scheduled evaluation.
 - III.** Instructor Evaluators will be trained by a representative of the Instructor Review Committee and approved by the Instructor Certification Program’s Manager.
 - e. The evaluation responsibility is inclusive of the Virginia Department of Fire Programs Policy for 5% of all programs to be evaluated annually.

Virginia Department of Fire Programs
FIREFIGHTER I, NFPA 1001-13
COURSE ADMINISTRATIVE GUIDELINES

III. Student Qualifications and Requirements

A. Pre-Course Qualifications and Requirements for Firefighter I Students

1. Students that are 18 years of age or older
 - a. Member of a recognized fire department which provides insurance requirements or provide documentation of insurance
 - b. Complete set of personal protective equipment in acceptable condition and in compliance with NFPA Standards. Personal Protective Equipment includes helmet, coat, pants, hood, boots, suspenders, structural firefighting gloves, and self contained breathing apparatus (SCBA) and spare bottle.
2. At least 16 years of age on the first day of class.
 - a. This is to meet DOLI requirements
 - b. Those students who are between 16-18 years old on the first day of class must bring a signed parental permission form with them to continue the course. An original copy of the VDFP parental consent form will be kept on file in the appropriate Division Office.
 - c. Member of a recognized fire department which provides insurance requirements.
 - d. Ordinance in place recognizing minors as firefighters.
 - e. Complete set of personal protective equipment in acceptable condition and in compliance with NFPA Standards. Personal Protective Equipment includes helmet, coat, pants, hood, boots, suspenders, structural firefighting gloves, and self contained breathing apparatus (SCBA) and spare bottle.

B. Course Completion Requirements for Firefighter I Students

1. Firefighter I students are required to attend **100%** of classroom and skill sessions to meet all of the standards set forth in the National Fire Protection Association's 1001-13 Standards, "Standards for Fire Fighter Professional Qualifications."
 - a. Missed classes or skill sessions must be made up prior to the date of the live burn day or written test.
 - b. Not more than 10% of the class may be made up with a current FF I/II trainer or blended learning. The 10% is identified as the hours as designated in the VDFP curriculum. A VDFP "Training Validation Form" shall be completed and included with the course paperwork for each class made up. Blended Learning Certificates must be attached with the Training Validation.

Virginia Department of Fire Programs
FIREFIGHTER I, NFPA 1001-13
COURSE ADMINISTRATIVE GUIDELINES

2. The student must successfully complete and provide copies for the FEMA/DHS ICS IS -100, IS-200 and IS-700 prior to completion of the course.
3. The student must successfully complete and be certified in a Hazardous Materials Operations training program which meets or exceeds one or more of the following:

*Virginia Department of Fire Programs training in Hazardous Materials Operations
National Board of Fire Service Professional Qualifications (NBFSPQ) for Hazardous
Materials Operations (to include Virginia Specific Requirements.)
International Fire Service Accreditation Congress (IFSAC) for Hazardous Materials
Operations (to include Virginia Specific Requirements.)*

- OR -

*Virginia Department of Emergency Management as a Hazardous Materials
Technician -OR- Specialist*

4. Completion of a CPR course which meets professional-level standards, as approved by OEMS at the Healthcare Provider level.
Note: The current courses which are accepted by the Virginia Office of EMS to meet these standards are:
 - a. American Heart Association - Basic Cardiac Life Support - "Healthcare Provider"
 - b. American Red Cross – Professional Rescuer
 - c. American Safety and Health Institute – “CPR-PRO”
 - d. Medic First Aid – BLS for Professionals – “BLS-PRO”
 - e. Emergency Care and Safety Institute – “Professional Rescuer” formerly National Safety Council “Professional Rescuer”
5. The following courses are acceptable as equivalent to meet the Basic *Pre-Hospital Emergency Medical Care for Firefighters/First Aid Firefighter I session*;
 - a. *American Heart Association - Heartsaver First Aid*
 - b. *American Red Cross - First Aid*
 - c. *American Safety and Health Institute – First Aid*
 - d. *Medic First Aid*
 - e. *First Responder, Emergency Medical Responder, EMT or higher as approved by the Virginia OEMS or National Registry.*

Virginia Department of Fire Programs

FIREFIGHTER I, NFPA 1001-13

COURSE ADMINISTRATIVE GUIDELINES

C. Course Delivery

Traditional Classroom and Blended Learning:

1. Course design is developed not to exceed 24 students.
2. Classroom instruction requires one (1) qualified instructor to deliver the training program. (The VDFP Firefighter I/II Review Committee recommended two (2) qualified instructors during a consecutive 8-hour block.)
3. Practical/Skill Sessions
 - a. Low and Moderate Risk Skill Sessions Instructor/Student ratio is: 1:6
 - i. See Operations and Training Guidelines Section IS4
 - b. High Risk Instructor/Student ratio is: 1:5
 - i. See Operations and Training Guidelines Section IS4
4. All instructor ratios will be maintained
 - a. See Operations and Training Guidelines Section IS5 for Live Fire Training

V. Course Completion Requirements

A. Required paperwork for completion of a Firefighter I program

1. Firefighter I/II Trainers are to submit the following documentation to the governing VDFP Division Office within 10 working days from last day of training. (as stated in the VDFP Instructor's Manual):

Course Request/Completion Form-

completed form to include section "B" (submitted and VDFP approved) with the schedule identifying the dates, time, location, subject and instructor. (This form is available from the Program Manager upon request.)

Acknowledgment Form-

each student must have read or have had the form read to them and understands the components; age requirement, before testing and before certification course requirements, and signed by the student and lead instructor.

Daily Attendance Sheet -

for each day of attendance, with columns for the students printed name, student's signature, AM/PM Attendance, and Firefighter I Trainer's Initials.

Standard Roll Call Form -

maintained and completed by the Firefighter I Trainer. This form must identify each day of scheduled training and is completed by use of the Daily Attendance Sheet. Students failing to appear on the Daily Attendance Sheet WILL NOT RECEIVE CREDIT on the Standard Roll Call Form for that day's attendance.

COURSE ADMINISTRATIVE GUIDELINES

Orange Data Forms -

All submitted Registration and Personal Data (Orange Form) forms must be reviewed by Firefighter I Trainer for accuracy and completeness. Errors on Orange forms will be returned to the Firefighter I Trainer for correction. (Forms available from local Division Office) appropriately completed bubble forms.

**Practical Skills
Check Off Form -**

Appropriate Practical Skills check off form for each student in the Firefighter I class must be completed including dates of each skill completed, pass/fail and Firefighter I Trainer signature. If a student fails any of the skills, trainer should note reason for failure.

Parental Consent Form-

all student candidates under the age of 18 years of age, must have completed and be signed by a parent/guardian by the first day of class. Any student under the age of 18 without the completed form will be dismissed and not receive credit. A new form must be completed for each VDFP Program – copies are not acceptable.

**Copy of CPR Cards
or Course Roster-**

all students must provide a copy of a current certification/roster for CPR as recognized and in compliance with the agency and NFPA requirements. This certification must be current through the end of the approved program to receive the Firefighter certification.

Fire Fighter I First Aid Disclaimer Form-

each student must have read or have been read the form and understand the components therein and be signed by the student and lead instructor.

**Personal Protective Equipment
and Training Accountability Form -**

all students will have a Personal Protective Equipment and Training Accountability Form completed prior to participating in any live fire training evolutions.

**First Aid/EMT
Certification Cards-**

all students requesting exemption from attendance in the First Aid/Emergency Medical Care session for the Firefighter I program, must provide a copy of a current certification for First Aid/EMR, EMT or higher as recognized by the VAOEMS or the National Registry. This certification must be current through the end of the approved program to receive the Firefighter certification.
